WELCOME!

Thank you for choosing Easterseals Timber Pointe Outdoor Center for your child's camping experience. We know sending your child to camp is a big decision, and our number one priority is to provide a safe and fun camp experience for them. Easterseals Central Illinois has served families with special needs since 1919; began specialized camp programming for children with disabilities in the early 1950's.

Each camp program is specifically designed to provide your camper the opportunity to experience new things in an inclusive and barrier-free environment. We understand success looks different for every camper, and that is why it is our mission to make every camper feel 100% included, and 100% empowered.

In this Parent Handbook, we have tried to answer the questions often asked of our camp staff, and directly address our response to the COVID-19 pandemic. For more information regarding specific measures TPOC is taking regarding COVID-19, please refer to the Medical & Emergencies section. Please use it as a reference guide in preparing for your camper to attend TPOC. By familiarizing yourself with various topics, it will make the transition easier for you and your camper. If you have further questions, please don't hesitate to ask.

On behalf of the team here at camp, and from myself, I thank you for choosing TPOC, and look forward to creating a magical summer experience with your camper!

Happy Camping,
Allen McBride
Camp Director

ABOUT US

The Easterseals Timber Pointe property was originally owned by the Boy Scouts Camp Heffernan. Shortly after purchasing the land from the Boy Scouts in 1989, Easterseals and the Timber Pointe Charitable Foundation began the long process of transforming the property into a year-round camp and retreat center designed for inclusive and adapted programming that meets the needs of individual campers and families. Located along the beautiful shorelines of Lake Bloomington in Hudson, Illinois, Timber Pointe's 170-acre property is perfect for hosting a variety of outdoor programs, teambuilding, retreats, events, and cabin rentals.

OUR STAFF

Timber Pointe Outdoor Center hires seasonal staff for the summer camp program and also welcomes volunteers to provide additional support. All staff and volunteers complete an application process that includes a background check prior to their hiring or acceptance. Most staff and volunteers are seeking degrees in relevant fields and range in age from 18-23 years old.

Program Counselors are in charge of leading camp activities and are required to complete a week-long training where they will learn how to adapt each activity to meet each camper's specific needs.

Cabin Counselors encourage campers to foster peer-to-peer connections, provide personal care and support, and cultivate positive cabin culture. Both Program and Cabin Counselors are required to attend a week-long orientation. Training topics include:

- Emergency procedures
- Behavior management
- Safety and supervision policies
- Transitional activities
- Child abuse prevention and reporting
- Dealing with homesickness
- Specific disability overviews
- Sensory needs and strategies
- Diversity, inclusion, and adaptation
- Transferring
- Communication and feeding techniques
- And more!

You and your camper will be surprised at all the amazing adventures they'll have at camp! Engaging in such a wide range of activities will build your camper's confidence and self-esteem, as we focus on their strengths and acknowledge that success looks different for each individual. These successes are celebrated and built upon. While similar base activities will occur every session, activities will tie in to the theme (ex: Arts & crafts every session, but each project will be unique and dependent upon the theme).

Water Front Activities: Our pool is 4-feet deep. Flotation devices are provided for any campers that need to utilize them during pool time and are required for all lakefront activities. At least one certified lifeguard is on duty during all water activities. Please provide swim diapers if applicable.

CAMP REGISTRATION AND FEES

Registering for camp is easy! Register online at timberpointe.campbrain.com. Due to COVID-19 Easterseals Timber Pointe Outdoor Center is not requesting a camper registration fee, deposit, or immediate payment upon the completion of a camper application. The full camp tuition must be paid at least two weeks prior to the start of camp. Failure to complete payment will result in a cancellation of the registration and the advancement of another camper from the waiting list.

Cancellation/Refund: In light of COVID-19, if at any time a family member requests a cancellation before the camper's scheduled arrival date, Timber Pointe will provide a full refund.

Camper Dismissal Policy: If a camper is sent home, camp session fees will be refunded **only** when the camper is unable to complete their stay due to a medical condition. Homesickness or dangerous behavior which results in the camper leaving camp are not conditions for refunds.

Discounts

Multiple Child Discount: A multiple child discount will be automatically applied to the balance due for each additional child in the same family registering for Timber Pointe Outdoor Center camp sessions.

Easterseals Central Illinois Discount: Campers currently receiving services from Easterseals Central Illinois will receive a 35% discount for all programs offered in this summer.

COVID-19 has impacted us all and that is why Timber Pointe Outdoor Center is grateful for the opportunity to provide 25% and 50% discounts for all families that could use a helping hand. **No additional paperwork is required for 25% or 50% discounts. Discount codes will be provided when adding sessions to your cart.**

We are also grateful for the opportunity to provide full camper scholarships or 100% discounts. **We will ask those needing 100% discounts to provide additional paperwork.** Timber Pointe will email account holders with this additional information needed at a later date. Your cooperation in providing necessary documents for funding, if applying this discount, is greatly appreciated.

MEDICAL AND EMERGENCIES

COVID-19 Policies/Procedures: Given the current COVID-19 pandemic, Easterseals Timber Pointe Outdoor Center is sharing the following contingency plan to help guide us into the summer of 2020. It is our intention to provide a clear outline for those planning to attend camp this summer. Your camper's health and safety has always been and will continue to be our highest priority.

What we are monitoring and following:

- Centers for Disease Control and Prevention (CDC) guidelines
- Illinois Department of Public Health (IDPH) guidelines
- Occupational Safety and Health Administration (OSHA) guidelines
- [American Camp Association's \(ACA\) "Field Guide for Camps on Implementation of CDC Guidance"](#)
- Travel restrictions (including states outside Illinois)
- Financial feasibility of various options

Health/Wellness in relation to COVID-19

(Subject to change based on CDC recommendations)

- Cleaning measures have been reviewed and updated to ensure compliance with CDC, IDPH, OSHA, and ACA standards.
- Cleaning products have been reviewed to ensure compliance with Environmental Protection Agency (EPA) and Food and Drug Administration (FDA) standards.
- Timber Pointe will limit the number of campers onsite to 20-25 campers per day for Day Camp Programs and 20-30 campers for Overnight Camp Programs.
- "Cabin Clusters" will consist of no more than a combined total of ten campers and counselors.
- Everyone will be asked to wear a cloth face covering (homemade cloth mask, bandana, etc.) when a minimum of 6-feet of social distancing cannot be maintained.
- Timber Pointe will email its most-current Health/Wellness Policies one week prior to camper drop-off and will align with CDC and/or IDPH guidelines.
- Timber Pointe will conduct daily screening protocols during camper check-in including the following questions:
 - In the last month have you been in contact with someone who was confirmed or suspected to have Coronavirus/COVID-19?
 - Does anyone in your family have any of the following symptoms: cough, fever, or shortness of breath?

- Has anyone in your family traveled internationally in the last month?
 - If yes, where?
 - Dates of travel?
- If an individual answers yes to any screening questions, they will not be allowed access to Timber Pointe. The family will be advised to return home and follow up with their primary care physician.
- Timber Pointe will conduct daily temporal temperature checks during camper check-in.
- In order to participate in Timber Pointe camp programs, an individual's temperature will need to be at 99.9 degrees Fahrenheit or under for a full 72 hours without fever-reducing medications.
- If an individual's temperature is 99.9 degrees Fahrenheit or higher, they will not be allowed access to Timber Pointe. The family will be advised to return home and follow up with their primary care physician.
- All visitors, volunteers, and other guests will be required to complete the same pre-camp entrance screening protocols outlined above.
- Beds will be spaced apart (maintaining at least 30" between beds and sleep oriented head-to-toe).
- Timber Pointe will enforce appropriate handwashing, sanitation, and cough etiquette protocols.
- All staff will be oriented and trained in illness-reducing strategies.

In the event that a staff member or camper is displaying symptoms of any communicable disease (i.e. chicken pox, influenza, COVID-19), Easterseals Timber Pointe Outdoor Center will follow best practices outlined by the Association of Camp Nursing's "Communicable Disease Management in the Camp Setting." For detailed information click [here](#).

Injury: Our medical staff will treat routine scrapes, cuts, and minor illnesses. It is our policy to inform parents/guardians of any injury that is more serious than a minor cut or scrape. In the case of serious illness or accident, the staff will contact you immediately. In the event you cannot be reached, we will attempt to call your designated emergency contact. Your signed authorization on the medical waiver allows us to secure prompt treatment. Parents/guardians are responsible for charges incurred for outside medical treatment.

Illness: It is our policy not to keep campers with symptoms lasting more than 24 hours. We ask parents/guardians to care for their child at home and to see their primary care physician. If your child is registered to come to camp and becomes ill, please do not bring them to camp. Call our office as soon as possible so that we may schedule another session for you.

Emergencies: If there is a family emergency, please call our office at (309) 365-8021. Prior to 10:30 a.m. or after 5:30 p.m., please call our Camp Director (number will be provided to families upon acceptance to a camp session).

FIRST-TIME CAMPERS

Attending camp at Timber Pointe Outdoor Center is an unforgettable adventure for campers and their parents/guardians. We know both parties may be a bit anxious about the camper leaving the comforts of home, trying new camp activities and meeting friends. Here are some helpful tips for first-time campers:

- Send pre-addressed stamped envelopes with campers so they can send mail to family/friends.
- Bring written letters from family/friends to registration and let staff know when to give to the camper throughout the week.
- Send familiar and favorite clothes, linens, stuffed animals, etc.
- Do not send valuables, family heirlooms, or expensive items to camp. Pack with your camper and make a list of what they bring so that they or staff members know what they should bring home.
- Remember: label **EVERYTHING** and pack light!
- Camp is not responsible for lost or stolen items.

Homesickness: Temporary homesickness is not an unusual emotion, especially for first-time campers. Our staff are trained in constructive and caring strategies that will help campers overcome this feeling and get back to the fun activities happening at camp. Overcoming homesickness is an important learning experience and helps your camper grow stronger and more independent. When staff and parents/guardians handle these situations properly, a homesick camper can make huge strides!

Messages and mail can make an impact on a homesick camper. Please do not tell your camper that you can't get along without them or stress how much they are missed at home. Instead, please send encouraging emails or pre-written letters talking about how excited you are for them, how proud you are, or about the photos you have seen of them online. We recommend you plan ahead to send letters/care packages so that they have something at the beginning of the week. You can bring this with you when you drop your camper off to avoid any post office delays, or you can mail ahead of the session to make sure it arrives in time (allow 5 business days). Please write the camper's name, session number, and date you would like the mail delivered to the camper, and give to a staff member during check-in.

One of the reasons camp is so magical is because it's about getting away from day-to-day routine and the overwhelming amount of technology that surrounds us. At Timber Pointe, campers are encouraged to get to know their new friends face-to-face!

Family Contact: If your child is homesick, or has any other issues you should know about, we will notify you of the situation. Our staff members are trained and well equipped to head off potential problems before they escalate. To foster independence and curtail homesickness, family/friends are welcome to visit camp only during check-in and check-out, unless special arrangements have been made with the Camp Director. If your camper has forgotten items that he/she needs for the week, such as glasses, swimsuit, etc. please contact the office directly to alert us and to schedule a drop-off.

Meals: Our main lodge is modern and spacious. Timber Pointe has well-balanced meals that are served by professional food service staff. If your child has any special dietary needs or food allergies, please indicate them when registering online so that we are aware and can make accommodations. Water is provided during meals, and at every activity, and we encourage all campers to stay hydrated throughout the day. There will be a salad bar at all lunches and dinners. Alternatives to meals include cereal, oatmeal, peanut butter (soy butter)/jelly sandwiches, etc. If your camper is an extremely selective eater, please send specific food items to supplement meals served at camp so that they can have adequate nutrition and energy for camp activities.

Lost and Found: We will make every effort to return lost and found items while your camper is at camp. Please label all items with your camper's name in a permanent marker or label for easy identification. Please triple check the lost and found area during check-out before leaving to make sure your camper has not left anything behind. Items found after the camp session will be put in our front office and may be claimed by description. If you find out something is missing upon return home, please call our office as soon as possible. Arrangements can be made to pick up the item(s) at Timber Pointe. After August 21, all remaining items will be donated to a local nonprofit. Undergarments and socks that are left at camp will be thrown away. *Timber Pointe Outdoor Center is not responsible for lost, stolen, or damaged items.*

Community Living: Personal responsibility and group cooperation are elements of the camp experience. Trained and caring staff members work with campers on the importance of maintaining one's personal space and belongings, assisting in daily cabin clean-up, and pitching in with shared responsibilities around camp (picking up garbage, cleaning up after meals, etc.). We strive to teach honesty, respect, compassion, inclusion, and responsibility in our camp community and hope to develop these attributes in our campers' lives outside of camp as well!

HEALTH AND SAFETY

Timber Pointe Outdoor Center is proud to be accredited by the American Camp Association. Developed exclusively for the camp profession, this nationally-recognized program focuses on program quality, health and safety issues, and requires review of every facet of our operations. Timber Pointe has voluntarily submitted to this independent appraisal performed by camp experts and has earned this mark of distinction. Timber Pointe also meets the Illinois Department of Public Health regulations. We undergo at least two full inspections each year. Our inspection records are kept on file in the office.

Medications: All prescription medication brought to camp must be in original containers that include the camper's name, dosage, and medication times. The medication form provided during registration must be completed, signed by a physician, and mailed to our office prior to camp check-in. If this form is not received two weeks prior to the camp session, the camper will not be allowed to attend camp. If the camper has more medications than spaces allowed, please copy the form and attach it to the original.

ALL medications, including over-the-counter vitamins, creams, lotions, etc. must be turned in during the check-in process to be dispensed by medical staff. Medications must remain in the original bottle/container. Timber Pointe stocks most over-the-counter medications needed at camp, so it is not necessary for you to pack these. If there are any over-the-counter medications that your child cannot take, please specify on the medical form when registering online.

When checking-in, Timber Pointe medical staff will provide pill containers which we ask guardians to fill. We ask that at least one pill be left in the prescription bottle if need arises to identify pills. Make sure your camper's name is on all items. We recommend that all campers stay on regular daily medication during their stay at camp. Daily medications will be dispensed at each meal and prior to bedtime. Our medical staff are always readily available so emergency medication can be obtained in a moment's notice.

CHECK-IN/CHECK-OUT

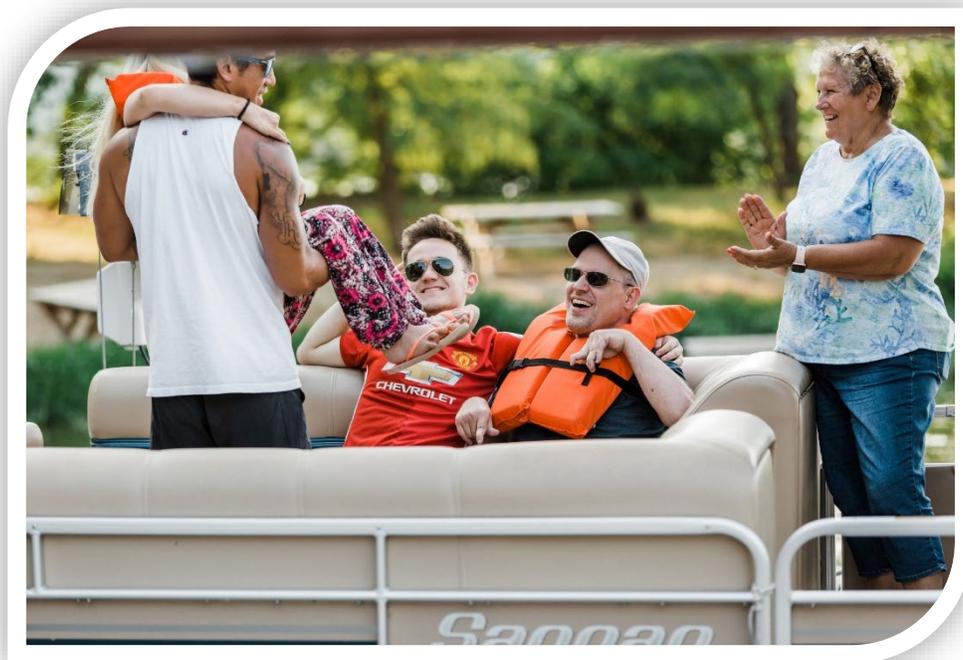

Overnight Camp

Please come as close to check-in and check-out times as possible. Medications must be presented to medical staff in their original containers with the camper's name and dosage. We highly recommend labeling all camper belongings and providing a list of what has been sent to camp. After completing the check-in process, parents/guardians should say their goodbyes, and leave promptly so as to provide a smooth transition for their camper.

A closing ceremony will be held after Friday breakfast and check-out will take place following this ceremony. The ceremony will include cabin performances, a slideshow of photos from the camp session, a brief overview of activities from the week, and a welcome and thank you from our leadership staff.

Specific times and procedures will be provided in the camper registration packet, which will be emailed at least one week prior to your camper's arrival.

All parents/guardians must check-out their camper with Timber Pointe staff. Campers will not be released to anyone other than the parent/guardian unless prior authorization has been given. The alternate person picking up the camper will need to provide proper identification. When checking out, please make sure you pick up all your camper's medication and get all of their luggage (including laundry bags that may not have made it back into the suitcase). It is the parent/guardians' responsibility to ensure all items brought to camp are taken home. Please label every item! If there is an emergency and you need to pick up your camper early, please notify the camp office as soon as possible so we can have them and their belongings ready upon your arrival.

Day Camp

Please come as close to check-in and check-out times as possible. Signs will direct participants to the “Day Camp Drop-Off” parking lot. If campers are dropped off or picked up outside the regular check-in/check-out times, please communicate this with our front office staff. For late check-ins and early departures parents/guardians will need to check-in at the front office. The front office staff will radio the day camp counselors for a camper pick-up or drop-off. Please do not drive past day camp drop-off or the front office.

Medications must be presented to medical staff in their original containers with the camper’s name and dosage. Medical staff will provide pill boxes labeled by day with the camper’s name. Please provide medications for each day your camper attends that week. We highly recommend labeling all camper belongings. After completing the check-in process, parents/guardians should say their goodbyes, and leave promptly so as to provide a smooth transition for their camper.

Specific times and procedures will be provided in the camper registration packet, which will be emailed at least one week prior to your camper’s arrival.

All parents/guardians must check-out their camper with Timber Pointe staff. Campers will not be released to anyone other than the parent/guardian unless prior authorization has been given. The alternate person picking up the camper will need to provide proper identification. When checking out for the week, please make sure you pick up all your camper’s medication and get all of their belongings. It is the parent/guardians’ responsibility to ensure all items brought to camp are taken home. Please label every item! If there is an emergency and you need to pick up your camper early, please notify the camp office as soon as possible so we can have them and their belongings ready upon your arrival.

DISCIPLINE AND GUIDANCE PROCEDURES

Self-regulation skills and positive social interactions among campers and staff are encouraged and enhance everyone's experience at camp! At Timber Pointe, we use positive guidance methods including reminders, prompts, distraction, logical consequences, and redirection. Self-regulation skills are practiced using the following strategies:

- Consistent rules are clearly stated and communicated. Counselors and camp staff facilitate these rules across all camp activities and reinforce positive behavior with praise and appropriate rewards.
- An atmosphere of trust is established in order for campers to know that they will not be hurt nor be allowed to hurt others.
- Staff members work with individual campers to help them become more aware of themselves and their feelings. This will help them learn to cope with their feelings in a healthy manner and control them responsibly.
- Staff members frequently observe and communicate with campers to take proactive action to avoid potential problems (breaks, use your words to ask for something, etc.) and come up with alternatives to negative behaviors.

Camper safety is the most important concern; therefore, campers whose behavior is dangerous to themselves or others or consistently disruptive will be discussed with the camper's parent/guardian and will result in loss of privileges or activities or potential dismissal from camp. Parents/guardians are financially responsible for intentional damage to equipment or facilities caused by their camper. Parents/guardians are also responsible for picking up any child that has been removed from a session.

CAMPER PACKING LIST

Please make sure that all items are labeled with the camper's name! Timber Pointe Outdoor Center is NOT responsible or liable for any and all lost, stolen, or broken items that are brought to camp.

- 1 pillow
- 2 bed sheets (extra sheets & blankets if camper wets the bed)
- 2 blankets
- Sleeping bag (optional...but cozy!)
- 7 T-shirts/blouses (mostly short sleeve, but a couple long sleeve as well)

What Not To Bring

Cell phones

Electronics NOT essential to communication or daily routine

Medications (unless given to the nurse)

Valuables (jewelry, treasured items, etc.)

PLEASE BRING ANY...

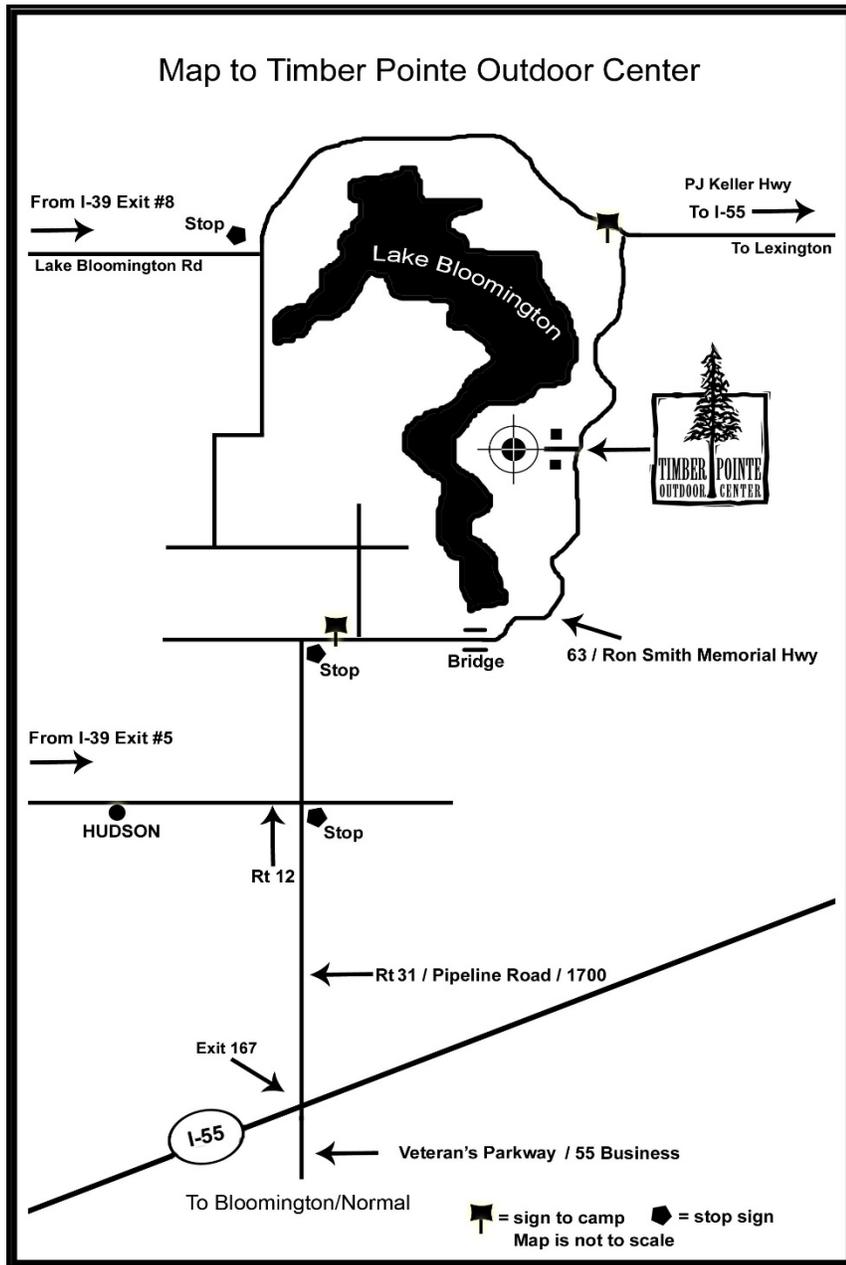

Communication or electronic devices that are used to assist in daily routine.

One of Timber Pointe's core values is inclusion. That is why we ask that any items (toys, games, collections, etc.) that could exclude other campers or distract from the overall focus of camp be left at home. We have plenty of activities, games, and equipment to be used during down time.
