## WELCOME!

Thank you for choosing Easterseals Timber Pointe Outdoor Center for your child's camping experience. Last summer, we were able to think outside the box to give an incredible day camp experience to campers while prioritizing the health and safety of all who entered our gates.

Without a doubt, people need camp now more than ever before. This summer, we aim to safely re-introduce a sense of normalcy, community, and connection. We aim to implement programming that inspires imagination and encourages enthusiastic engagement in outdoor recreation, where all, regardless of ability, can participate and thrive. Finally, we aim to create a space where campers can make new friends and re-gain confidence in social interaction, experience new adventures together, and begin to process and heal while feeling 100% included and 100% empowered.

In this parent handbook, we have tried to answer the questions often asked of our camp staff, and directly addresses our policies and procedures in relation to the COVID19 pandemic. We have worked diligently to find creative solutions that keep everyone safe, while keeping the spirit and magic of camp at the center of our programs. Please use it as a reference guide in preparing for your camper to attend Timber Pointe Outdoor Center. By familiarizing yourself with various topics, it will make the transition easier for you as well as your camper. If you have further questions, please don't hesitate to ask.

On behalf of the team here at camp, and from myself, I thank you for choosing Easterseals Timber Pointe, and look forward to creating a magical summer experience with your camper!

**HAPPY CAMPING.**

## ABOUT US

The Easterseals Timber Pointe property was originally owned by the Boy Scouts Camp Heffernan. Shortly after purchasing the land from the Boy Scouts in 1989, Easterseals Central Illinois and the Timber Pointe Charitable Foundation began the long process of transforming the property into a year-round camp and retreat center designed for inclusive and adapted programming that meets the needs of individual campers and families. Located along the beautiful shorelines of Lake Bloomington in Hudson, Illinois, Timber Pointe's 170 acre property is the perfect environment for hosting a variety of outdoor programs, teambuilding, retreats, events, and cabin rentals.

## OUR STAFF

Timber Pointe Outdoor Center hires seasonal staff for the summer camp program, and also welcomes volunteers to provide additional support. All staff and volunteers complete an application process that includes a background check prior to their hiring or acceptance. Most staff and volunteers are seeking degrees in relevant fields and range in age from 18-23 years old.

Program Staff are in charge of leading camp activities, and learn how to adapt each activity to meet each camper's specific needs. Camp Counselors supervise campers, facilitate peer to peer connections, provide personal care/support, and cultivate positive camp culture. All staff members are required to attend a week long orientation, and Program Staff receive additional training to be certified on the ropes course and as lifeguards. Training topics include:

- Emergency procedures
- Behavior management
- Safety and supervision policies
- Transitional activities
- Child abuse prevention and reporting
- Dealing with homesickness
- Specific disability overviews
- Sensory needs and strategies
- Diversity, inclusion, and adaptation
- Transferring
- Communication and feeding techniques
- And more!

## ACTIVITIES

The camp experience and environment facilitates inclusivity, curiosity, wonder, and empowers campers to try new things and develop new skills. At Timber Pointe, all activities are designed so that *every* camper can participate, regardless of individual needs and abilities.

All activities are accessible and include:

- High ropes course and zip lining
- Giant 30' Tandem Swing
- Swimming Pool
- Horseback riding
- Canoeing, kayaking & pedal boating
- Fishing
- Pontoon boating
- Arts and crafts
- Sports and games
- Archery
- Science
- Music
- Dance
- Cooking
- Nature
- Campfire circle
- Scavenger hunts
- Talent show/performing
- Sensory play

*\*All activities are subject to change based on state guidelines and regulations.*

You and your camper(s) will be thrilled with all the amazing adventures they'll have at camp! Engaging in such a wide range of activities will build confidence and self-esteem, as we focus on their strengths and acknowledge that success looks different for everyone. These successes are celebrated and built upon. While similar base activities will occur every session, activities will tie in to the day camp theme (Ex: Arts & crafts every session, but each project will be unique and dependent upon the theme).

**Water Front Activities:** Flotation devices are provided for any campers that need to utilize them during pool time, and are required for all lakefront activities. At least one certified lifeguard is on duty during all water activities. Please provide swim diapers if applicable.

## Activity Policies During a Pandemic

- All activities will be designed to encourage physical distancing of at least 6-ft
  - Any shared equipment (i.e. bows/arrows) will be cleaned by a staff member between camper and / or group use.
  - Each group will be assigned private bathrooms/indoor/eating space in order to minimize shared spaces. These spaces will follow proper physical distancing protocols
- Grouping/Ratios
- Groups sizes will range from 7-10 campers, plus proper staffing ratios
  - Timber Pointe will maintain a 4:1; camper: counselor ratio or better and have additional “floaters” to be assigned to groups where added support may be needed.
  - 30-ft of social distancing will be maintained between groups
  - Groups will be static, with no mixing of counselors or participants

## CAMP REGISTRATION AND FEES

Registering for camp is easy! Register online at [timberpointe.campbrainregistration.com](https://timberpointe.campbrainregistration.com). The full camp tuition must be paid at least one week prior to the start of camp. Failure to complete payment will result in a cancellation of the registration and the advancement of another camper from the waiting list. **A \$50 deposit will be applied for each session and child registered.** Deposits are due at the completion of registration, are non-refundable, and will be deducted from your total registration fee.

**Payment Options:** Families can now choose to pay via E-Check during online registration or can send checks or cash by mail. Payments can be made to Timber Pointe Outdoor Center.

**Cancellation/Refund:** Cancellations must be made 30 days prior to the camper's arrival, with exceptions being made for medical reasons, in order to receive a full refund. Deposits are non-refundable.

**Camper Dismissal Policy:** If a camper is sent home, camp session fees will be refunded **only** when campers are unable to complete their stay due to a medical condition. Homesickness or dangerous behavior which results in the camper leaving camp are not conditions for refunds.

## Discounts

**Multiple Child Discount:** A multiple child discount of \$65 will be automatically applied to the balance due for each additional child in the same family registering for camp sessions.

**Refer a Friend Discount:** Refer a new family friend and save \$30/new camper! It must be the camper's first experience with Timber Pointe and cannot cancel their registration. When the new camper(s) registers online, there will be a space to put the name of the person that referred them. Timber Pointe staff will apply a formulated discount to the balance of the "referrer" once payment has been made by the newly registered camper(s).

**Easterseals Central Illinois Discount:** Campers currently receiving services from Easterseals Central Illinois will receive a 35% discount for all programs offered this summer.

**Financial Assistance:** Last year Timber Pointe Outdoor Center was humbled by the communities support for funding, and the integrity families displayed when requesting assistance. It is because of this that Timber Pointe is able to continue to offer 25% / 50% / 100% financial assistance or families that need it. **The "Financial Assistance Form" must be completed for those requesting any level of assistance. Use Code: ESCI25%OFF / ESCI50%OFF / ESCI100%included when selecting a camp session(s). Timber Pointe Outdoor Center will review and limit household financial assistance awarded based on demand and available funding. These codes will also be provided when adding sessions to your cart.**

## MEDICAL AND EMERGENCIES

**COVID-19 Policies/Procedures:** Given the current COVID-19 Pandemic, Easterseals Timber Pointe Outdoor Center is sharing the following plan to help guide us into the summer of 2021. It is our intention to provide a clear outline for those planning to attend camp this summer. Your camper's health and safety has always been and will continue to be our highest priority.

## What we are monitoring and following:

- Centers for Disease Control and Prevention (CDC) guidelines
- Illinois Department of Public Health (IDPH) guidelines
- Occupational Safety and Health Administration (OSHA) guidelines
- [American Camp Association's \(ACA\) "Field Guide for Camps on Implementation of CDC Guidance"](#)

## Health/Wellness in relation to COVID-19

(Subject to change)

- Camper/Guest Expectations
  - **Campers/Guests will provide their own face covering** and will wear over their nose and mouth when safe social distancing cannot be practiced (exceptions can be made for people with medical conditions or disabilities that prevent them from safely wearing face covering)
  - Timber Pointe will provide a "packing-list" for campers and will include supplies that will minimize sharing between campers/staff (i.e. bug spray, sun screen, etc.)
  - Timber Pointe will enforce appropriate handwashing, sanitation, and cough etiquette protocols.
  - Timber Pointe will conduct daily screening protocols during camper check-in (See "Check-In" section for more details)
  - All visitors, volunteers, and other guests will be required to complete the same pre-camp entrance screening protocols as campers
  - An attendance log will record information referenced above, as well as check-in/out times
  - Day Camp drop-off/pick-up location will be clearly marked with guidelines posted

In the event that a staff member or camper is displaying symptoms of any communicable disease (i.e. chicken pox, influenza, COVID-19), Easterseals Timber Pointe Outdoor Center will follow best practices outlined by the Association of Camp Nursing's "Communicable Disease Management in the Camp Setting." For detailed information click [here](#).

**Emergencies:** If there is a family emergency, please text Remind (see Communication section) to make arrangements and call the office at 309-365-8021.

**Injury:** Our medical staff will treat routine scrapes, cuts and minor illnesses. It is our policy to inform parents/guardians of any injury that is more serious than a minor cut or scrape. In the case of serious illness or accident, the staff will contact you immediately. In the event you cannot be reached, we will attempt to call your designated emergency contact. Your signed authorization on the medical waiver allows us to secure prompt treatment. Parents/guardians are responsible for charges incurred for outside medical treatment of their child if treatment is required while in attendance at Timber Pointe.

**Illness:** It is our policy not to keep campers with symptoms lasting more than 24 hours. We ask parents/guardians of these campers to care for their child at home and to see their primary care physician. If your child is registered to come to camp and becomes ill, please do not bring them to camp. Call our office as soon as possible so that we may schedule another session for you.

## THE CAMPER LIFE

Attending camp at Timber Pointe Outdoor Center is an unforgettable adventure for campers and their parents/guardians. We know both parties may be a bit anxious about the camper leaving the comforts of home, trying new camp activities and meeting friends. Here are some helpful tips:

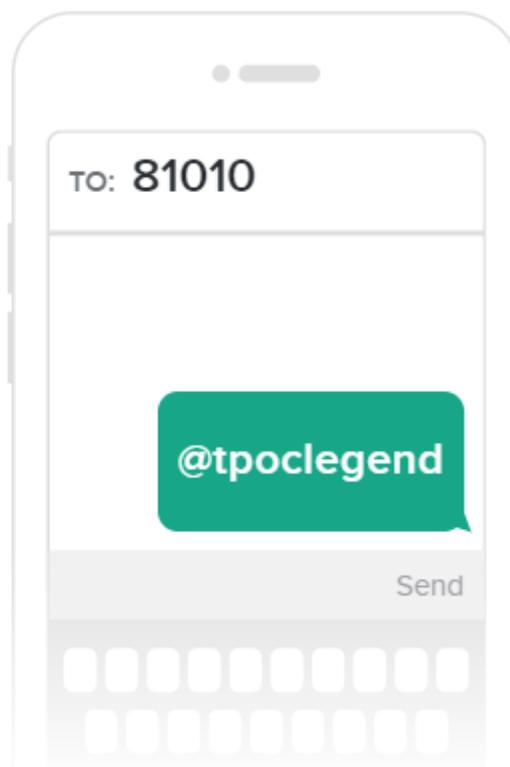

- Talk to your child about camp ahead of time. Practice wearing a facemask in the home and talk about what camp activities might look like. Encourage them to be themselves, and get them excited to make new friendships and experience new adventures!
- Avoid focusing on anything that makes your child anxious. Instead of asking leading questions like, “Are you nervous about canoeing?” ask open-ended questions like, “How are you feeling about canoeing?”
- If your child does show concerns, don’t trivialize them or offer generic reassurances like “There’s nothing to worry about!” or “Everyone loves camp!” These may discourage your child. Instead, show empathy and acknowledge any concerns.
- Praise the accomplishments your camper has made each day at camp, no matter how “small” they may seem. Your camper will try lots of new things while at camp, which can inspire new interests, hobbies, etc. and foster bravery in other areas! Recognize any new positive things that have emerged in them as a result of camp.
- Do not send valuables, family heirlooms, or expensive items to camp. Pack with your camper and make a list of what they bring so that they or staff members know what they should bring home.
- Remember: label **EVERYTHING** and pack light!
- Camp is not responsible for lost or stolen items.

**Communication with Camp (REMIND):** We are asking all families to sign up for “Remind,” which is the communication system we’ll be using this summer! You do not need to download the app. It will function as texts on your phone’s normal text messaging. You will use this to communicate late arrival, early pick-up, or any other time sensitive information. It will notify our leadership team immediately! If we have any time sensitive announcements, we will send them out via Remind! To sign up, please follow the instructions below for EACH session your camper is attending:

- Session 1: LEGENDARY → Text **@tpoclegend** to **81010**
- Session 2: Out of This World → Text **@tpocworld** to **81010**
- Session 3: Calling All Heroes! → Text **@limberlost** to **81010**
- Session 4: Under the Big Top → Text **@tpocbigtop** to **81010**
- Session 5: Holiday Hoopla → Text **@tpochoopla** to **81010**
- Session 6: Who Dunit?? → Text **@tpocwho** to **81010**
- Session 7: Adventureland! → Text **@tpocland** to **81010**
- Session 8: Once Upon a Time... → Text **@tpoconce** to **81010**
- Session 9: Imaginarium → Text **@tpocarium** to **81010**
- Session 10: Clash of the Kingdoms → Text **@tpocking** to **81010**
- Session 11: Camp Cruise → Text **@tpocruise** to **81010**

*\*Make sure you are including the @ in front of the code! This is the most common error. If anyone has trouble with texting their code to 81010, you can try texting the code to (954) 906-9369.*

Example of what this looks like on your phone (CODES WILL DIFFER DEPENDING ON SESSION, below is an example of the code for Session 1: LEGENDARY!):

**Family Contact:** If your child has any issues you should know about, we will notify you of the situation. Our staff members are trained and well equipped to head off potential problems before they escalate. To foster independence, family/friends are welcome to visit camp only during check-in and check-out, unless special arrangements have been made. If your camper has forgotten items that he/she needs, such as glasses, swimsuit, etc. please contact us via Remind to alert us and to schedule a drop-off.

**Meals:** Our main lodge is modern and spacious. We ask that you send your child to camp each day with a full stomach in the morning so they have plenty of energy for morning activities, and a packed lunch that will sustain them for the afternoon. Timber Pointe will provide a late afternoon snack. If your child has any special dietary needs or food allergies, please indicate them when registering online so that we are aware and can make accommodations. If your camper is an extremely selective eater, please send an extra snack item in their lunch in case they do not want what is being served for snack that day. **Timber Pointe will require all campers to come with enough water for the day to reduce waste. Timber Pointe will provide water as needed, however all water fountains will be closed.**

- COVID-19 Dining Procedures
  - All dishware will be single use, compostable and disposed of after each use.
  - A gloved staff member will deliver food to campers.
  - Camper meals brought from home should be in single-use containers/bags to be thrown out after each meal

**Lost and Found:** We will make every effort to return lost and found items while your camper is at camp. Please label all items with your camper's name in a permanent marker or label for easy identification. Items found after the camp session will be put in our front office and may be claimed by description. If you find out something is missing upon return home, please call our office as soon as possible. Arrangements can be made to pick up the item(s) at Timber Pointe. Two weeks after the last summer camp session, all remaining items will be donated to a local nonprofit. Undergarments and socks that are left at camp will be thrown away. ***Timber Pointe Outdoor Center is not responsible for lost, stolen, or damaged items.***

**Community Living:** Personal responsibility and group cooperation are elements of the camp experience. Trained and caring staff members work with campers on the importance of maintaining one's personal space and belongings, assisting in daily clean-up, and pitching in with shared responsibilities around camp (picking up garbage, cleaning up after meals, etc.). We strive to teach honesty, respect, compassion, inclusion and responsibility in our camp community and hope to develop these attributes in our campers' lives outside of camp as well!

## HEALTH AND SAFETY

Timber Pointe Outdoor Center is proud to be accredited by the American Camp Association. Developed exclusively for the camp profession, this nationally recognized program focuses on program quality, health and safety issues, and requires review of every facet of our operations. Timber Pointe has voluntarily submitted to this independent appraisal done by camp experts and has earned this mark of distinction. Timber Pointe also meets the Illinois Department of Public Health Regulations. We undergo at least two full inspections each year. Our inspection records are kept on file in the office.

**Medications:** All prescription medication brought to camp must be in original containers that include the camper's name, dosage, and medication times. The medication form provided during registration must be completed, signed by a physician, and mailed to our office prior to camp check-in. This form must be turned in at least 1 week prior to the session start date. If the camper has more medications than spaces allowed, please copy the form and attach it to the original.

ALL medications, including over-the-counter vitamins, creams, lotions, etc. must be turned in during the check-in process to be dispensed by medical staff. Medications must remain in the original bottle/container. Timber Pointe stocks most over-the-counter medications needed at camp, so it is not necessary for you to pack these. If there are any over-the-counter medications that your child cannot take, please specify on the Medical form when registering online.

When checking-in, Timber Pointe medical staff will provide pill containers which we ask guardians to fill. We ask that at least one pill be left in the prescription bottle if need arises to identify pills. Make sure your camper's name is on all items. We recommend that all campers stay on regular daily medication during their stay at camp. Daily medications will be dispensed at meal time or when otherwise indicated. Our medical staff are always readily available so emergency medication can be obtained in a moment's notice.

# CHECK-IN/CHECK-OUT

## Day Camp Check-In

The front gate will open at 7:55am each morning, and check-in will begin no earlier than this time. If you will be arriving later than 8:30am, please text us via the Remind system to let us know, as groups will be out at activities. Parents/guardians must follow visitor guidelines of wearing a face covering/PPE and remain in the car throughout the entire process. There are two checkpoints when checking-in each day:

Check Point #1- Front Office Drive: After entering camp, proceed to the "Check Point #1" sign, and stop. A staff member will approach your car and complete a pre-screening. We will take camper(s) temperature and asking questions pertaining to symptoms of COVID-19.

### ➤ Pre-Screening

- Timber Pointe will conduct daily screening protocols during camper check-in including temperature checks and the following questions:
  - In the last month have you been in contact with someone who was confirmed or suspected to have Coronavirus/COVID-19?
  - Does anyone in your family have any of the following symptoms: cough, fever, or shortness of breath?
  - Has anyone in your family traveled internationally in the last month?
  - If yes, where?
  - Dates of travel?
  - If an individual answers yes to any screening questions, they will not be allowed access to Timber Pointe. The family will be advised to return home and follow up with their primary care physician.
  - Who will be picking up the camper today?

The staff member will sign your camper in and inform you which group they will be in. Each group will have a color associated with it, and they will mark your side window with this color tape. They will also ask if your camper will be taking any medications while at camp, or if you need to speak with the nurse about any medical needs. If so, they will add a white colored piece of tape on your side window to indicate to the nurse that she will need to check in with you.

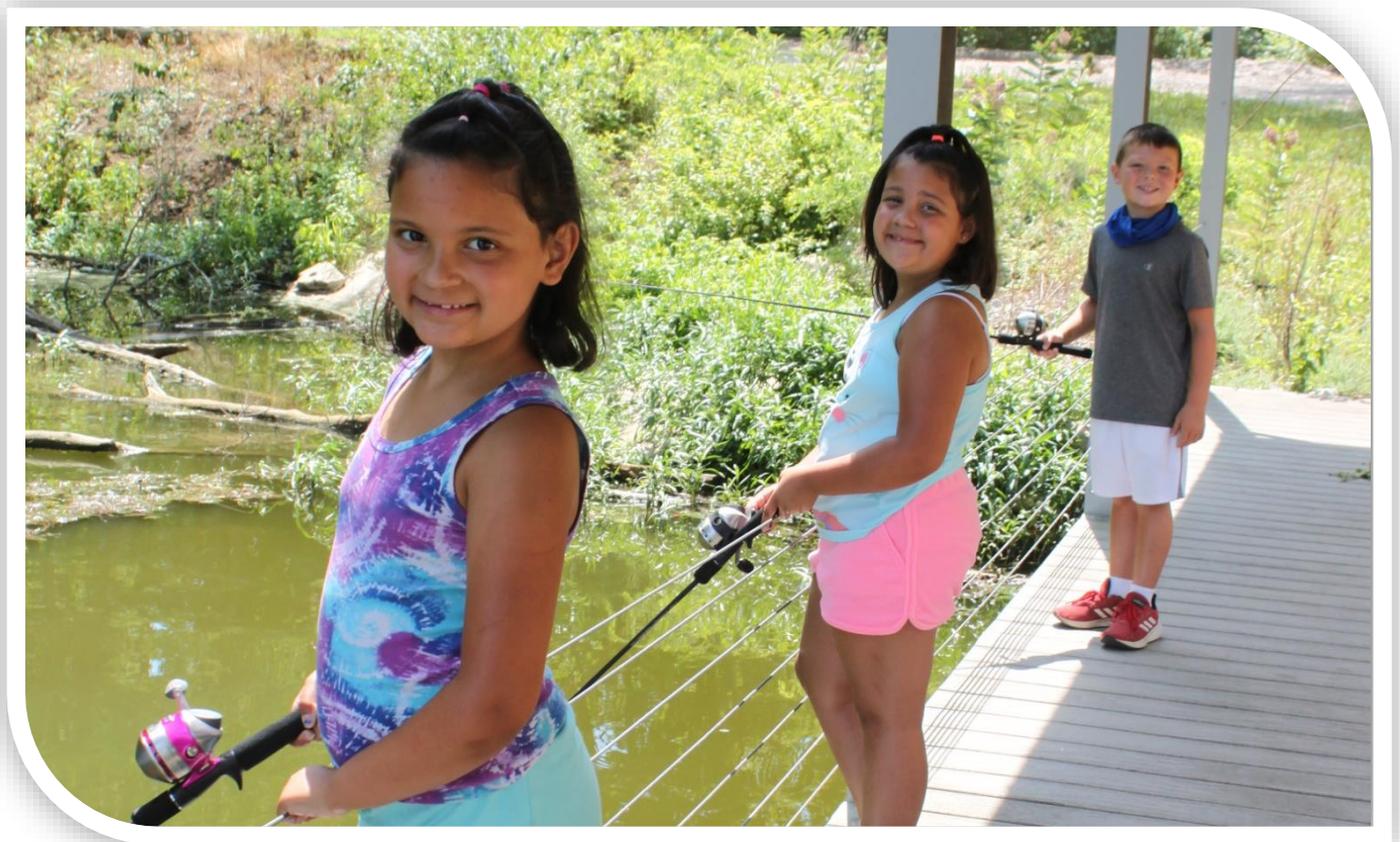

Check Point #2- The Main Lodge: Follow the road signs to proceed to the Main Lodge. Do NOT park your car in the lot, but rather pull into one of two lanes in the circle drive. A staff member will wave you forwards into one of two lanes. A counselor in your camper's assigned group will approach your car to walk your camper inside. If in Lane 2, the nurse will also come to your vehicle to take any medication your

camper needs for that week, or to speak with you about your camper's medical needs. For safety, please follow the instructions of our staff and keep your speed under 5mph at all times when in the Lodge area.

To keep check-in as efficient as possible, if you need to provide any details concerning your camper's behaviors, needs, or have any in-depth concerns, we ask that you schedule a time to speak with our Camp Director or Program Manager, and they will share this information with the appropriate personnel.

### Day Camp Check-Out

Check-out will be no later than 5:00pm daily. If you will be picking up your camper earlier than 4:30pm, text us via the Remind system so that we can be prepared and have them ready to go. Parents/guardians will remain in their car throughout the entire process. After entering camp, proceed to "Check Pointe # 2". Do NOT park your car in the lot, but rather pull up to the circle drive located in front of the Main Lodge, or to the car in front of you in line. Please remain in your vehicle. A staff member will approach your vehicle where you will be asked to provide the name of who is picking up, and the name of the camper to be picked up. For example, "Hi, Allen McBride picking up Winnie McBride." If the names match that which was recorded at morning drop off, we will call your camper(s) to your vehicle and sign them out for the day. We will not release a camper if the "Pick-Up Name" does not match our records. We will call the guardian on file to make arrangements for the camper to be picked up. Text using the Remind messaging system to alert Timber Pointe staff on any changes related to drop off or pick up. For safety, please do not exceed 5mph when in the Lodge area.

## DISCIPLINE AND GUIDANCE PROCEDURES

Self-regulation skills and positive social interactions among campers and staff are encouraged and enhance everyone's experience at camp! At Timber Pointe, we use positive guidance methods including reminders, prompts, distraction, logical consequences and redirection. Self-regulation skills are practiced using the following strategies:

- Consistent rules are clearly stated and communicated. Counselors and camp staff facilitate these rules across all camp activities and reinforce positive behavior with praise and appropriate rewards
- An atmosphere of trust is established in order for campers to know that they will not be hurt nor be allowed to hurt others
- Staff members work with individual campers to help them become more aware of themselves and their feelings. This will help them learn to cope with their feelings in a healthy manner and control them responsibly
- Staff members frequently observe and communicate with campers to take proactive action to avoid potential problems (breaks, use your words to ask for something, etc.) and come up with alternatives to negative behaviors

Camper safety is the most important concern; therefore, campers whose behavior is dangerous to themselves or others or consistently disruptive will be discussed with the camper's parent/guardian and will result in loss of privileges or activities, or potential dismissal from camp. Parents/guardians are financially responsible for intentional damage to equipment or facilities caused by their camper. Parents/guardians are also responsible for picking up any child that has been removed from a session.

## CAMPER PACKING LIST

***Please make sure that all items are labeled with the camper's name! Timber Pointe Outdoor Center is NOT responsible or liable for any and all lost, stolen, or broken items that are brought to camp.***

- Backpack
- Face covering/PPE to be used only when physical distancing is not feasible (exceptions can be made for people with medical conditions or disabilities that prevent them from safely wearing face covering)
- Extra** set of clothing, including underwear and socks (\*In general, we ask that you send your camper in well-worn clothes your child may soon outgrow that will withstand the wear-and-tear of camp and make damage/loss a non-issue)
- Comfortable shoes that your camper can hike and play in!
- Hat and/or bandana, sunglasses (to protect from sun)
- Bathing suit
- All weather gear (rain poncho, light jacket, etc.)
- Sunscreen
- Insect Repellant
- Depends/Briefs/Wipes (if needed—send plenty & label)
- Medications in original bottles to give to the nurse
- Medical/Personal care supplies (where applicable and enough for the entire session)
- Water bottle(s) – to reduce waste we ask you send enough water for the day
- Disposable camera (optional)
- Anything else your camper may need while at camp

### What Not To Bring

Cell Phones

Electronics NOT essential to communication or daily routine

Medications (unless given to the nurse)

Valuables (jewelry, treasured items, etc.)

### PLEASE BRING ANY...

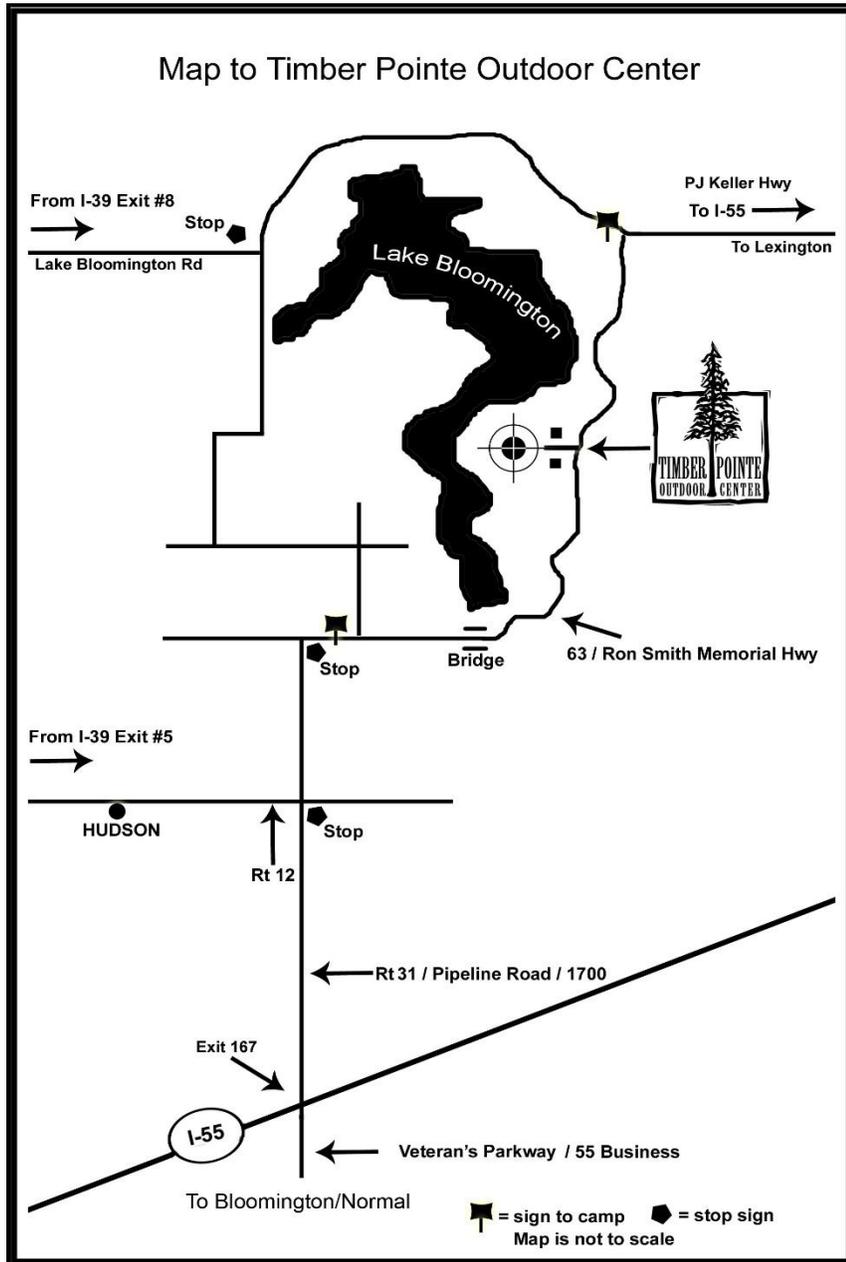

**Communication or Electronic devices that are used to assist in daily routine.**

*Timber Pointe values inclusion and participation. That is why we ask that any items (toys, games, collections, etc.) that could exclude other campers or distract from the overall focus of camp be left at home. We have plenty of activities, games, and equipment to be used during down time.*
