

DAY CAMP HANDBOOK

SUMMER 2022

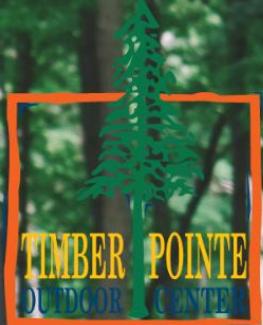

20 Timber Pointe Ln.
Hudson, Illinois 61748

309-365-8021

www.timberpointeoutdoorcenter.com

easterseals
Central Illinois

Welcome!

Thank you for choosing Easterseals' Timber Pointe Outdoor Center for your child's camping experience. There are many great summer options out there, but what countless feedback surveys, emails, and handwritten thank-you notes agree sets Timber Pointe apart is our highly-trained, compassionate staff and low camper-to-counselor ratios. We know, especially now, what an extraordinary act of faith it is for you to put your child in our arms. We will hold them carefully. We also know you don't just want your child to learn how to canoe, fish, or roast the perfect marshmallow, but that you want them to learn about themselves and about others, returning home better off for having been at camp. The unwavering support, celebration of individuality, and unconditional love woven throughout Timber Pointe's overall camp environment and culture allow courage, confidence, and connection to flourish.

Yes, our adaptive programming and equipment provide limitless adventure, but what truly creates a space of 100% inclusivity and empowerment is the hearts and minds that fill it. As we welcome returning staff and hire on new team members for this summer, we have your child(ren) as our guiding compass, and we look for those that won't just watch your camper, but will raise them up, cheer them on as they both stumble and succeed, and hold them in their hearts long after they have left our gates.

Camp is **more** than rock climbing and zip lining- it's a sense of bravery and accomplishment, it's the chance to fly. Camp is **more** than songs and cheers, it's being part of a community where you are loved and accepted for exactly who you are. Camp is **more** than mosquito bites, s'mores and bunk beds, it's living life to the fullest, gaining independence, and giving parents/caregivers a very well-deserved break. Camp is **more** than the woods and trails, it's freedom to breathe, freedom to be, freedom to become. Camp is **more** than campfires, it's an experience that helps individuals burn bright, that instills flames of confidence and hope that glow far past that summer. Without a doubt, people need camp now **more** than ever before.

In this handbook, we've tried to answer questions often asked of our staff, and directly address our policies and procedures in relation to COVID-19. We have worked diligently to find creative solutions that keep everyone safe, while keeping the spirit and magic of camp at the center of our programs. Please use this as a reference guide in preparing for your camper to attend Timber Pointe Outdoor Center. By familiarizing yourself with various topics, it will make the transition easier for you as well as your camper. If you have further questions, please don't hesitate to ask. We look forward to creating a magical summer experience with your camper!

Happy Camping!

ABOUT US

The Easterseals Timber Pointe property was originally owned by the Boy Scouts Camp Heffernan. Shortly after purchasing the land from the Boy Scouts in 1989, Easterseals Central Illinois and the Timber Pointe Charitable Foundation began the long process of transforming the property into a year-round camp and retreat center designed for inclusive and adapted programming that meets the needs of individual campers and families. Located along the beautiful shorelines of Lake Bloomington in Hudson, Illinois, Timber Pointe's 170-acre property is the perfect environment for hosting a variety of outdoor programs, teambuilding, retreats, events, and cabin rentals.

OUR STAFF

Timber Pointe Outdoor Center hires seasonal staff for the summer camp program, and also welcomes volunteers to provide additional support. All staff and volunteer "camp buds" complete an application process that includes a background check prior to their hiring or acceptance. Most staff and volunteers are seeking degrees in relevant fields and range in age from 18-23 years old.

Program Staff are in charge of leading camp activities, and learn how to adapt each activity to meet each camper's specific needs. Camp Counselors supervise campers, facilitate peer-to-peer connections, provide personal care/support, and cultivate positive camp culture. All staff members are required to attend a week-long orientation, and Program Staff receive additional training to be certified on the ropes course and as lifeguards. Training topics include:

- Emergency procedures
- Behavior management
- Safety and supervision policies
- Transitional activities
- Child abuse prevention and reporting
- Dealing with homesickness
- Specific disability overviews
- Sensory needs and integration strategies
- Diversity, inclusion, and adaptation
- Personal care and transferring
- Communication and feeding techniques
- And more!

SUMMER 2022 SESSIONS & OFFERINGS

Adventure Day Camp-Youth

Our inclusive adventure day camp sessions are in orange. This program runs from 8:00 a.m. - 5:00 p.m. Monday-Friday, includes breakfast, lunch and afternoon snack, and is for children ages 5-17 with or without a disability. ***Programming is designed for a developmental age of 5-13.**

Session 1: June 6-10

“Til’ the Cows Come Home”

Session 2: June 27-July 1

“Storytellers”

Session 3: July 11-15

“Wonder Emporium”

Session 4: July 25-29

“Groovin’ Through the Decades”

Session 5: August 8-12

“TPOCTV”

Overnight Camp-Youth & Adults

Our overnight camp sessions are in green. Youth overnight sessions are open to children ages 7-17 with a disability (with the exception of our inclusive youth overnight, which is open to children with OR without a disability). Adult overnight sessions are open to individuals ages 18+ with a disability. This program runs from 4:00pm on Sunday to 12:00pm on Friday.

Session 1 (YOUTH): June 5-10

“Til’ the Cows Come Home”

Session 2 (YOUTH): June 26-July 1

“Storytellers”

Session 3 (ADULTS): July 3-8

“Holiday Hoopla”

Session 4 (YOUTH): July 10-15

“Wonder Emporium”

Session 5 (ADULTS): July 24-29

“Groovin’ Through the Decades”

Session 6 (*INCLUSIVE YOUTH): August 7-12

“TPOCTV”

*New this year!! Open to children ages 7-17 with OR without a disability

A TYPICAL TIME AT CAMP

DAY CAMP SAMPLE SCHEDULE

8:00 Day Camp Check-In

8:00-9:15 Breakfast, Announcements & Energizers

9:30-10:30 Morning Activity 1 (ex: Canoeing/Kayaking/Pedalboating)

10:45-11:45 Morning Activity 2 (ex: Rock Wall/Zip Line)

12:00-1:30 Lunch, Critter Talk & STUMP

1:30-2:00 Rest Time/Free Time

2:15-3:15 Afternoon Activity 1 (ex: Swimming)

3:25-3:35 Snack

3:45-4:45 Afternoon Activity 2 (ex: Arts & Crafts)

4:45-5:00 Free Play/Reflection time before check-out

ACTIVITIES

The camp experience and environment facilitates inclusivity, curiosity, wonder, and empowers campers to try new things and develop new skills. At Timber Pointe, all activities are designed so that *every* camper can participate, regardless of individual needs and abilities.

All activities are accessible and include:

- High ropes course and zip lining
- Giant 30' tandem swing
- Swimming pool
- Horseback riding
- Canoeing, kayaking and pedal boating
- Fishing
- Pontoon boating
- Arts and crafts
- Sports and games
- Archery
- Science
- Music
- Dance
- Cooking
- Nature
- Campfire circle
- Scavenger hunts
- Talent show/performing
- Sensory play

*All activities are subject to change based on state guidelines and regulations.

You and your camper(s) will be thrilled with all the amazing adventures they'll have at camp! Engaging in such a wide range of activities will build confidence and self-esteem, as we focus on their strengths and acknowledge that success looks different for everyone. These successes are celebrated and built upon. While similar base activities will occur every session, activities will tie in to the day camp theme (ex: Arts & crafts every session, but each project will be unique and dependent upon the theme).

Water Front Activities: Floatation devices are provided for any campers that need to utilize them during pool time, and are required for all lakefront activities. At least one certified lifeguard is on duty during all water activities. Please provide swim diapers if applicable.

Activity Policies During a Pandemic

- All activities will be designed to take place outdoors OR to accommodate physical distancing when indoors
 - Staff members will be required to wear masks, except in situations where they are **both** A) outdoors and B) able to maintain 3' of social distance
 - Campers will be required to wear masks as well, with the understanding that some of our campers are unable to safely wear a face covering (masks not required when eating, drinking, or swimming)
 - In situations where the entire camp is joined together (all-camp activities, mealtimes, etc.) there will be significant separation between groups
 - Hand sanitizer and/or water and antibacterial soap will be available at or near the entrance to all buildings. All participants will be encouraged to sanitize their hands each time they enter a building, as well as before and after they eat/touch their faces.
 - Any high-touch surfaces or equipment will be sanitized daily
- Grouping/Ratios
- Group sizes will range from 10-15 campers, plus proper staffing ratios
 - Timber Pointe will maintain a 4:1 camper: counselor ratio or better and have additional "floaters" to be assigned to groups where added support may be needed.
 - Groups will be static for the week, with no mixing of counselors or participants

CAMP REGISTRATION AND FEES

Registering for camp is easy! Apply online at <https://timberpointe.campbrainregistration.com/>. A staff member will review your application and follow up with any questions, as well as your registration status. The full camp tuition must be paid at least two weeks prior to the start of camp. Failure to complete payment will result in a cancellation of the registration and the advancement of another camper from the waiting list. **A \$50 deposit will be applied for each day camp session and camper registered.** Deposits are due at the completion of registration, are non-refundable, and will be deducted from your total registration fee.

Payments: Any payments being sent in the mail can be sent to 20 Timber Pointe Lane, ATTN: Camper Payment, Hudson, IL 61748. Please make any checks out to Timber Pointe Outdoor Center.

Cancellation/Refund: Cancellations must be made 30 days prior to the camper's arrival, with exceptions being made for medical reasons, in order to receive a full refund. Deposits are non-refundable.

Camper Dismissal Policy: If a camper is sent home, camp session fees will be refunded **only** when campers are unable to complete their stay due to a medical condition. Homesickness or dangerous behavior which results in the camper leaving camp are not conditions for refunds.

Discounts and Financial Assistance

Multiple Child Discount: A multiple child discount of \$67 will be automatically applied to the balance due for each additional child in the same family registering for camp sessions.

Refer a Friend Discount: Refer a new family friend and save \$30/new day camper! It must be the camper's first experience with Timber Pointe and cannot cancel their registration. When the new camper(s) applies online, there will be a space to put the name of the person that referred them. Refer a Friend discount(s) will be applied by a Timber Pointe staff member upon reviewing all referrals and upon receiving payment from newly registered camper(s). Timber Pointe reserves the right to limit or cancel referral discounts. This discount only applies to summer programming.

Easterseals Central Illinois Discount: Campers currently receiving services from Easterseals Central Illinois will receive a 35% discount for all programs offered this summer. Enter your child's therapist/provider's name in the space provided on the camp application. A Timber Pointe staff member will confirm services and apply the discount to your balance.

Financial Assistance: Timber Pointe Outdoor Center relies on funding from multiple sources to be able to provide financial assistance for families. **The “Financial Assistance Form” must be completed during the online camp application process for those requesting any level of assistance. Your honest, accurate answers on this form will help us determine which funding source you qualify for.** Please know that income is not the only determining factor for assistance; we realize there is often more to the story, and encourage you to apply if cost is a barrier keeping your family from accessing camp. Depending on which funding sources your family qualifies for, you may be asked to complete additional steps or submit income verification (either the most recent copy of your tax return or a free school lunch qualification letter).

Timber Pointe Outdoor Center will review financial assistance applications and may limit household financial assistance awarded based on demand and available funding.

MEDICAL AND EMERGENCIES

Health/Wellness in relation to COVID-19: Given the current COVID-19 pandemic, Timber Pointe Outdoor Center is sharing the following plan to help guide us into the summer of 2022. It is our intention to provide a clear outline for those planning to attend camp this summer, however, *the following policies and procedures are subject to change at any time* and will be reviewed/modified as needed based on authoritative sources. Your camper’s health and safety has always been and will continue to be our highest priority.

Timber Pointe will provide a space to indicate vaccination status during the online application process. This information will help medical staff determine if symptoms identified during health screenings could be related to vaccination (if symptoms appear shortly after vaccination) or other illnesses (if symptoms appear 2+ weeks after vaccination). At this time, COVID-19 vaccination is *not* mandatory to attend camp, but may affect how soon your camper is able to return to camp if they have tested positive for COVID-19 or come into close contact with someone who has tested positive for COVID-19.

Timber Pointe will implement the below policies/procedures (subject to change):

What we are monitoring and following:

- Centers for Disease Control and Prevention (CDC) guidelines
- Illinois Department of Public Health (IDPH) guidelines
- Occupational Safety and Health Administration (OSHA) guidelines
- [American Camp Association’s \(ACA\) “Field Guide for Camps on Implementation of CDC Guidance”](#)

Policies/Procedures in relation to COVID-19

(Subject to change)

- Camper/Staff/Guest Expectations
 - **Campers/staff will provide their own face covering** and will wear over their nose and mouth except in situations where they are **BOTH** A) outdoors **AND** B) able to maintain 3' of social distance (exceptions can be made for people with medical conditions or disabilities that prevent them from safely wearing face covering). Masks not required when eating, drinking, sleeping, swimming, showering, or sleeping.
 - **Parents/caregivers/guests must wear face covering over nose and mouth throughout check-in and check-out processes.** Staff members will be approaching your vehicle to ask questions, hand you crafts/items from the day, etc.
 - Timber Pointe will provide a “packing list” for campers and will include supplies that minimize sharing between campers/staff (i.e. bug spray, sunscreen, etc.)
 - Timber Pointe will conduct screening protocols during check-in (see “Check-In” section for details).
 - Timber Pointe will enforce appropriate handwashing, sanitation, and cough etiquette protocols.
 - All visitors and volunteers will be required to complete the same screening protocols as campers.

In the event that a staff member or camper is displaying symptoms of any communicable disease (i.e. chicken pox, influenza, COVID-19), Easterseals Timber Pointe Outdoor Center will follow best practices outlined by the Association of Camp Nursing’s “Communicable Disease Management in the Camp Setting.” For detailed information click [here](#).

Emergencies: If there is a family emergency, please text Remind (see Communication section) to make arrangements and call the office at 309-365-8021.

Injury: Our medical staff will treat routine scrapes, cuts and minor illnesses. It is our policy to inform parents/guardians of any injury that is more serious than a minor cut or scrape. In the case of serious illness or accident, the staff will contact you immediately. In the event you cannot be reached, we will attempt to call your designated emergency contact. Your signed authorization on the medical waiver allows us to secure prompt treatment. Parents/guardians are responsible for charges incurred for outside medical treatment of their child if treatment is required while in attendance at Timber Pointe.

Illness: It is our policy not to keep campers with symptoms lasting more than 24 hours. We ask parents/guardians of these campers to care for their child at home and to see their primary care physician. If your child is registered to come to camp and becomes ill, please do not bring them to camp. Call our office as soon as possible so that we may schedule another session for you.

THE CAMPER LIFE

Attending camp at Timber Pointe Outdoor Center is an unforgettable adventure for campers and their parents/guardians. We know both parties may be a bit anxious about the camper leaving the comforts of home, trying new camp activities and meeting friends. Here are some helpful tips:

- Talk to your child about camp ahead of time. Practice wearing a facemask in the home and talk about what camp activities might look like. Encourage them to be themselves, and get them excited to make new friendships and experience new adventures!
- Avoid focusing on anything that makes your child anxious. Instead of asking leading questions like, “Are you nervous about canoeing?” ask open-ended questions like, “How are you feeling about canoeing?”
- If your child does show concerns, don’t trivialize them or offer generic reassurances like “There’s nothing to worry about!” or “Everyone loves camp!” These may discourage your child. Instead, show empathy and acknowledge any concerns.
- Praise the accomplishments your camper has made each day at camp, no matter how “small” they may seem. Your camper will try lots of new things while at camp, which can inspire new interests, hobbies, etc. and foster bravery in other areas! Recognize any new positive things that have emerged in them as a result of camp.
- Do not send valuables, family heirlooms, or expensive items to camp. Pack with your camper and make a list of what they bring so that they or staff members know what they should bring home.
- Remember: label **EVERYTHING** and pack light! Camp is not responsible for lost or stolen items.

Communication with Camp (REMIND): We are asking all families to sign up for “Remind,” which is the communication system we’ll be using this summer! You do not need to download the app. It will function as texts on your phone’s normal text messaging. You will use this to communicate late arrival, early pick-up, or any other time-sensitive information. It will notify our leadership team immediately. If we have any time-sensitive announcements, we will send them out via Remind. To sign up, please follow the instructions below for EACH session your camper is attending:

- Day Camp Session A: Til’ the Cows Come Home → text **@dc22cows** to the number **81010**
- Day Camp Session B: Storytellers → text **@dc22story** to the number **81010**
- Day Camp Session C: Wonder Emporium → text **@dc22wonder** to the number **81010**
- Day Camp Session D: Groovin’ Through the Decades → text **@dc22groovy** to the number **81010**
- Day Camp Session E: TPOCTV → text **@dc22tpoctv** to the number **81010**

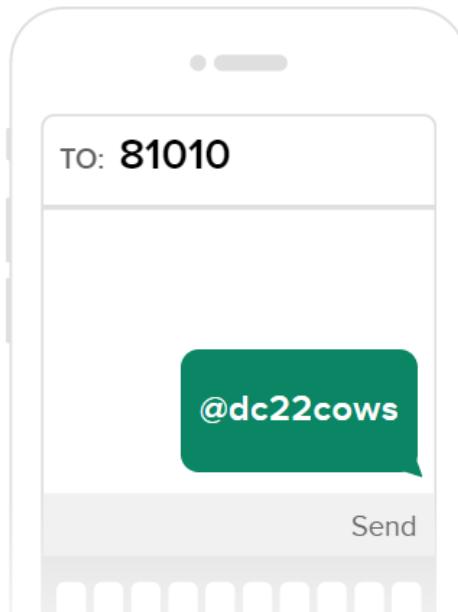

**Make sure you are including the @ in front of the code! This is the most common error. If anyone has trouble with texting their code to 81010, you can try texting the code to (954) 906-9369.*

Example of what this looks like on your phone (CODES WILL DIFFER DEPENDING ON SESSION, below is an example of the code for Session A: “Til’ the Cows Come Home)

Tell people to text **@dc22cows** to the number **81010**

They’ll receive a welcome text from Remind.

If anyone has trouble with 81010, they can try texting **@dc22cows** to (954) 906-9369.

Family Contact: If your child has any issues you should know about, we will notify you of the situation. Our staff members are trained and well equipped to head off potential problems before they escalate. To foster independence, family/friends are welcome to visit camp only during check-in and check-out. If your camper has forgotten items that they need, such as glasses, swimsuit, etc. please contact us via Remind to alert us and to schedule a drop-off.

Meals: Our main lodge is modern and spacious. Timber Pointe has well-balanced meals served by professional food service staff. Timber Pointe will provide breakfast, lunch, and an afternoon snack for day campers. If your camper has any special dietary needs or food allergies, please indicate them when applying online so that we are aware and can make accommodations. Alternatives to meals include cereal, oatmeal, peanut butter (soy butter)/jelly sandwiches, etc. If your camper is an extremely selective eater, please send supplemental food items so that they can have adequate nutrition and energy for camp activities.

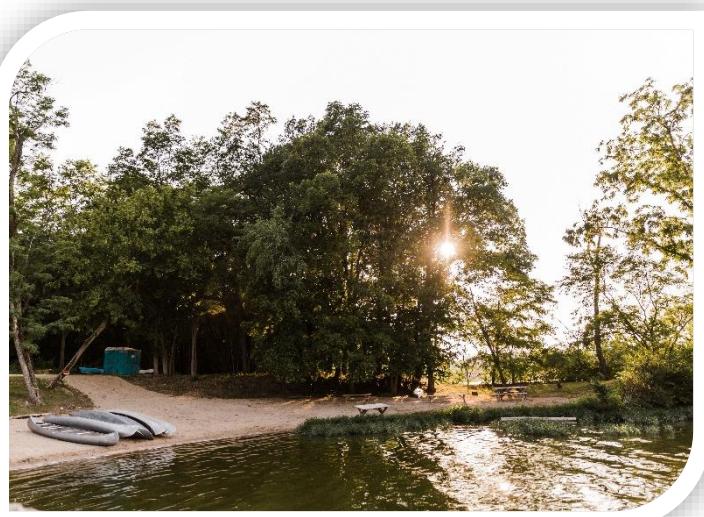

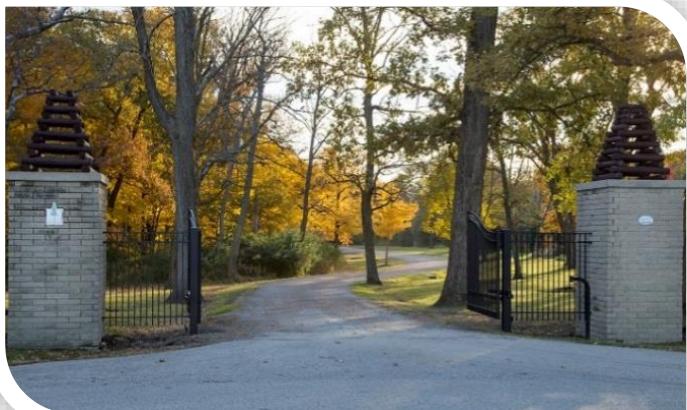

Water is provided during meals, and at every activity, and we encourage all campers to stay hydrated throughout the day. **Please send your camper with a reusable water bottle to fill up throughout the day to reduce waste.**

- COVID-19 Dining Procedures
 - A gloved and masked staff member will deliver food to campers.
 - Camper groups will have assigned tables/seating to ensure physical distancing.
 - All campers and staff will follow proper handwashing protocols before and after they eat.

Lost and Found: We will make every effort to return lost and found items while your camper is at camp. Please label all items with your camper's name in a permanent marker or label for easy identification. Items found after the camp session will be put in our front office and may be claimed by description. If you find out something is missing upon returning home, please call our office as soon as possible. Arrangements can be made to pick up the item(s) at Timber Pointe. Two weeks after the last summer camp session, all remaining items will be donated to a local nonprofit. Undergarments and socks left at camp will be thrown away. ***Timber Pointe Outdoor Center is not responsible for lost, stolen, or damaged items.***

Community Living: Personal responsibility and group cooperation are elements of the camp experience. Trained and caring staff members work with campers on the importance of maintaining one's personal space and belongings, assisting in daily clean-up, and pitching in with shared responsibilities around camp (picking up garbage, cleaning up after meals, etc.). We strive to teach honesty, respect, compassion, inclusion and responsibility in our camp community and hope to develop these attributes in our campers' lives outside of camp as well!

HEALTH AND SAFETY

Timber Pointe Outdoor Center is proud to be accredited by the American Camp Association. Developed exclusively for the camp profession, this nationally-recognized program focuses on program quality, health and safety issues, and requires review of every facet of our operations. Timber Pointe has voluntarily submitted to this independent appraisal done by camp experts and has earned this mark of distinction. Timber Pointe also meets the Illinois Department of Public Health Regulations. We undergo at least two full inspections each year. Our inspection records are kept on file in the office.

Medications: All prescription medication brought to camp must be in original containers that include the camper's name, dosage, and medication times. The Medication Form provided during registration must be completed, signed by a physician, and mailed to our office prior to camp check-in. This form must be turned in at least 2 weeks prior to the session start date. If the camper has more medications than spaces allowed, please copy the form and attach it to the original.

ALL medications, including over-the-counter vitamins, creams, lotions, etc. must be turned in during the check-in process to be dispensed by medical staff. Medications must remain in the original bottle/container. Timber Pointe stocks most over-the-counter medications needed at camp, so it is not necessary for you to pack these. If there are any over-the-counter medications that your child cannot take, please specify on the Medical form when registering online.

When checking-in, Timber Pointe medical staff will provide pill containers which we ask guardians to fill. We ask that at least one pill be left in the prescription bottle, in case need arises to identify pills. Make sure your camper's name is on all items. We recommend that all campers stay on regular daily medication during their stay at camp. Daily medications will be dispensed at mealtime or when otherwise indicated. Our medical staff are readily available so emergency medication can be obtained at a moment's notice.

CHECK-IN/CHECK-OUT

Day Camp Check-In

The front gate will open at 7:55am each morning, and check-in will begin no earlier than this time. If you will be arriving later than 9:00am, please text us via the Remind system to let us know, as groups will be heading out to activities. Parents/guardians must follow visitor guidelines of wearing a face covering/PPE and remain in the car throughout the entire process. There are 2 check points when checking-in each day:

Check Point #1- Front Office Drive: After entering camp, proceed to the “Check Point #1” sign at the front office, and stop. A staff member will approach your car and complete screening protocols. We will take camper(s) temperature and ask questions pertaining to symptoms of COVID-19 including:

- Has the camper or anyone in your household been in close physical contact with someone who was confirmed or suspected to have Coronavirus/COVID-19 in the last 10 days?
- Has the camper or anyone in your household experienced any of the following symptoms in the past 48 hours: cough, fever or chills, shortness of breath, fatigue, muscle/body aches, new loss of taste or smell, sore throat, congestion, nausea or diarrhea?
- Has the camper or anyone in your household traveled in the past 10 days? (Travel is defined as any trip that is overnight AND on public transportation OR any trip that is overnight AND with people who are not in your household.)
- If an individual answers yes to any screening questions, they will not be allowed access to Timber Pointe. The family will be advised to return home and follow up with their primary care physician.
- We will also ask the name of the person that will be picking the camper up. This name **must** match during check-out (or be a parent/guardian/emergency contact listed on the camper’s profile) in order to release them to that person. If plans change during the day, please text using the Remind system.

The staff member will then sign your camper in and inform you which group they will be in. Each group will have a color associated with it, and they will mark your side window with this color tape. They will also ask if your camper will be taking any medications while at camp, or if you need to speak with the nurse about any medical needs. If so, they will add a white colored piece of tape on your side window to indicate to the nurse that she will need to check in with you.

Check Point #2- The Main Lodge: Follow the road signs to proceed to the Main Lodge. For safety, please follow the instructions of our staff and keep your speed under **5mph** at all times when in the Lodge area. Do **NOT** park your car in the lot, but rather pull into one of two lanes in the circle drive. A counselor in your camper's assigned group will approach your car to walk your camper inside. **If you have white tape on your window**, please pull into the lane closest to the Main Lodge, and the nurse will also come to your vehicle to take any medication your camper needs for that week, or to speak with you about your camper's medical needs. **If you do not have white tape on your window**, please pull into the farther lane for a more expedited check-in process.

To keep check-in as efficient as possible, if you need to provide in-depth details concerning your camper's behaviors, needs, or have any concerns, we ask that you schedule a time to speak with our Camp Director or Program Manager ahead of check-in, and they will share this information with appropriate personnel.

Day Camp Check-Out

Check-out will be at 5:00pm daily. If you will be picking up your camper earlier than 4:45pm, text us via the Remind system at least 1 hour earlier so that we can be prepared and have ample time to get them to the lodge/ready to go. Parents/guardians must follow visitor guidelines of wearing a face covering/PPE and remain in their car throughout the entire process. After entering camp, proceed to "Check Point #2". Do **NOT** park your car in the lot, but rather pull up to the circle drive located in front of the Main Lodge, or to the car in front of you in line. Please remain in your vehicle. A staff member will approach your vehicle where you will be asked to provide the name of who is picking up, and the name of the camper to be picked up. For example, "Hi, Bob Belcher picking up Tina Belcher." If the names match our records, we will call your camper(s) to your vehicle and sign them out for the day. We will not release a camper if the "Pick-Up Name" does not match our records. We will call the guardian on file to make arrangements for the camper to be picked up. Text using the Remind messaging system to alert Timber Pointe staff on any changes related to drop off or pick up. For safety, please do not exceed 5mph when in the Lodge area.

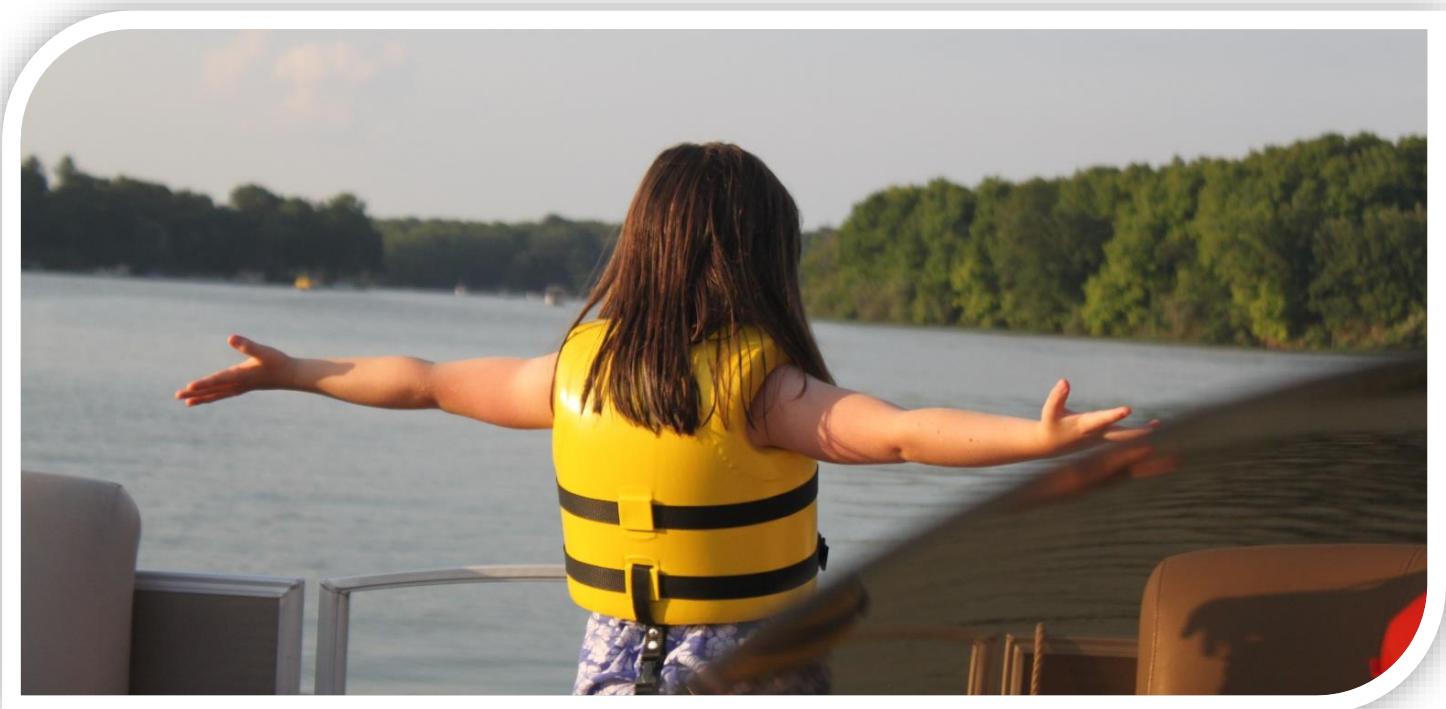

DISCIPLINE AND GUIDANCE PROCEDURES

Self-regulation skills and positive social interactions among campers and staff are encouraged and enhance everyone's experience at camp! At Timber Pointe, we use positive guidance methods including reminders, prompts, distraction, logical consequences and redirection. Self-regulation skills are practiced using the following strategies:

- Consistent rules are clearly stated and communicated. Counselors and staff facilitate these rules across all camp activities and reinforce positive behavior with praise and appropriate rewards.
- An atmosphere of trust is established in order for campers to know that they will not be hurt nor be allowed to hurt others.
- Staff members work with individual campers to help them become more aware of themselves and their feelings. This will help them learn to cope with their feelings in a healthy manner and control them responsibly.
- Staff members frequently observe and communicate with campers to take proactive action to avoid potential problems (breaks, use your words to ask for something, etc.) and come up with alternatives to negative behaviors.

Camper safety is the most important concern; therefore, campers whose behavior is dangerous to themselves or others or consistently disruptive will be discussed with the camper's parent/guardian and will result in loss of privileges or activities, or potential dismissal from camp. Parents/guardians are financially responsible for intentional damage to equipment or facilities caused by their camper. Parents/guardians are also responsible for picking up any child that has been removed from a session.

DAY CAMPER PACKING LIST

Please make sure that all items are labeled with the camper's name! Timber Pointe Outdoor Center is NOT responsible or liable for any and all lost, stolen, or broken items that are brought to camp.

- Backpack
- Face covering/PPE to be used only when physical distancing is not feasible (exceptions can be made for people with medical conditions or disabilities that prevent them from safely wearing face covering)
- Extra** set of clothing, including underwear and socks (*In general, we ask that you send your camper in well-worn clothes they may soon outgrow that will withstand the wear-and-tear of camp and make damage/loss a non-issue)
- Comfortable **closed-toed** shoes (closed-toed shoes mandatory for horseback riding, giant swing, and rock wall/zip line)
- Comfortable water-resistant shoes (for waterfront activities, water play, pool, etc.)
- Hat and/or bandana, sunglasses (to protect from sun)
- Bathing suit
- All weather gear (rain poncho, light jacket, etc.)
- Sunscreen
- Insect repellent
- Depends/Briefs/Wipes (if needed—send plenty & label)
- Medications in original bottles to give to the nurse
- Medical/Personal care supplies (where applicable and enough for the entire session)
- Water bottle(s) – to reduce waste we ask you send a refillable water bottle
- Disposable camera (optional)
- Anything else your camper may need while at camp

What Not To Bring

Cell Phones

Electronics NOT essential to communication or daily routine

Medications (unless given to the nurse)

Valuables (jewelry, treasured items, etc.)

PLEASE BRING ANY...

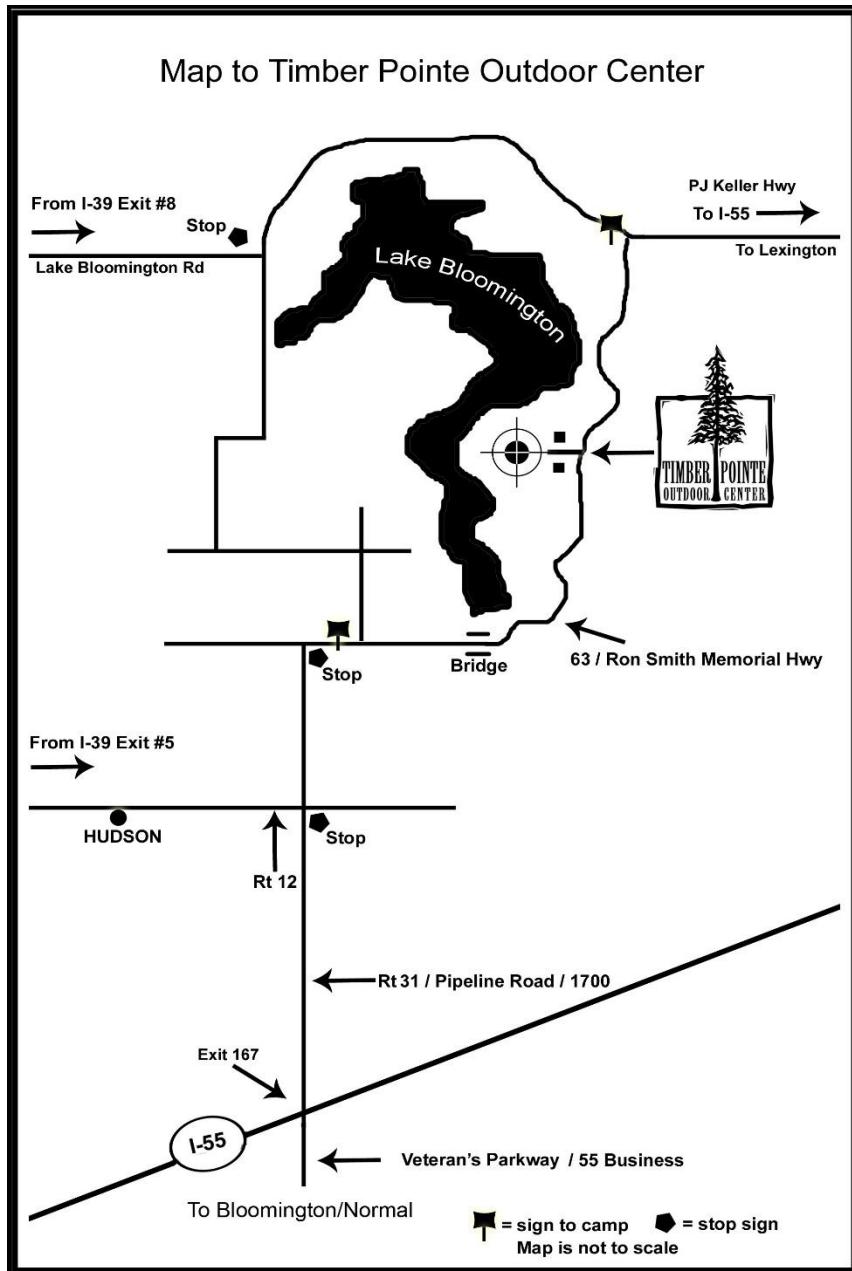

Communication or Electronic devices that are used to assist in daily routine.

Timber Pointe values inclusion and participation. That is why we ask that any items (toys, games, collections, etc.) that could exclude other campers or distract from the overall focus of camp be left at home. We have plenty of activities, games, and equipment to be used during down time.
